

When you reach the ring of Antwerp take exit Borgerhout. There is a traffic light where you have to turn right.

After turning right (about 10meters) there is another traffic light (direction Berchem station or Antwerpen Zuid). On this traffic light you turn left, this brings you in the inside ring of Antwerp - the Singel of Antwerp.

Continue driving and about 300 meters you will see another traffic light where you have you turn right. This brings you to Pretoriastraat.

From Pretoria Straat continue driving forward until you reach the bridge, take the roundabout and on the second street from your right is our street Draakstraat. Our house is at Draakstraat 32.
