

2 June 04

Harman, Eric, & Catherine

Thank you all so much for opening your home to me. My cats and I have been as comfortable as if we were at our own home. You have gone beyond common hospitality and generosity and tenely made my 3 weeks here hassle free and enjoyable. I look forward to seeing you in September.

Tschüss,

Celien, Thai, & Pyl

P.S. Thanks again for the lovely painting of my children!
